

Genoa Lakes Men's Club 2015 Membership Application

Below is a membership application for 2015; dues are unchanged from last year. Applications, which include membership in the Northern Nevada Golf Association (NNGA), are due by December 31; thereafter the cost increases. As an option and bonus, you may also join the Northern California Golf Association (NCGA). The cost for this option is listed below; note that NCGA fees also increase after December 31. If you previously were a NCGA member through another club, you must re-join as a new member through Genoa Lakes. Other options include handicap in NNGA only and hole-in-one insurance. A Directory will be mailed to you containing all of our scheduled tournaments together with other information. Thank you and we look forward to another great year!

Please fill in the application below, circle the selected items, and send with a check to:

Genoa Lakes Men's Club
PO Box 204
Genoa, NV 89411
